GREATER GRAND ISLAND COMMUNITY FOUNDATION FUND ADMINISTRATION POLICY

The Greater Grand Island Community Foundation promotes philanthropy by enabling donors to build a legacy to their name or in honor of a loved one that impacts the community today and forever through diverse charitable interests.

Donors may be individuals, businesses, corporations, qualified charitable organizations or geographic affiliates interested in philanthropy.

Your Community Foundation is a true testament to the legacy possible from one donor. A modest gift in 1960 from the estate of E.J. Wolbach started the Greater Grand Island Community Foundation. Mr. Wolbach's legacy has blossomed into an organization that represents hundreds of donors and charitable interests. Decades later, the Greater Grand Island Community Foundation has awarded millions of dollars in grants and scholarships. Gifts of all sizes are leveraged to maximize the collective impact of many donors with a love for their community.

Your Community Foundation works to determine our community's greatest needs, to strengthen nonprofit organizations, and to find new ways for people to join together and enhance the quality of life in our area. The Foundation is a vehicle that makes philanthropy simple and impactful.

Affiliate Funds

- An affiliate fund is led by a broad group of representatives raising funds from multiple donors for purposes focused on a specific geographic area that utilizes the formal structure and expertise of the community foundation to maximize efficiency and resources
- \$500,000 minimum to establish an affiliate fund unless otherwise determined
- Services covered: annual independent audit; annual IRS 990; accounting services for all deposits, disbursements and transactions; quarterly reporting; promotion and recognition; professional staff, software and equipment; and investment management in a larger pool of funds
- Funds may be invested in with pooled funds even though they are not permanent
- The Foundation Board and geographic affiliate representatives will determine the spending policy, dormant fund guidelines and minimum amounts required to establish a fund

Administrative Cost for Affiliate Funds

- Tier 1: 1.5% for funds up to \$499,999
- Tier 2: 1.25% for funds that are \$500,000 - \$999,999
- Tier 3: 1.0% for funds that are \$1,000,000 – 1,999,999
- Tier 4: .75% for funds that are \$2,000,000 and above

Applicable to all funds

- The Greater Grand Island Community Foundation governs all funds and has authority over distributions
- Funds must be used toward qualified charitable activity in accordance with IRS guidelines
- No cash is accepted and funds are not accepted under terms that permit the return of assets
- Funds falling below the minimum annual balance will be granted based on the donors interests
- Fund statements will be sent quarterly unless requested at a different interval
- Individual investment advisor options are available upon request for endowed funds with a required minimum balance or additional cost for administration
- Additional advertising may be provided at the expense of the fund
- Fund Administration:
 - \$150 one-time administrative cost to establish a new fund
 - All administrative costs are charged based on the average of the fund market value, drawn out every three months with a minimum administrative cost of \$150
 - Dormant funds for 24 months or more have an additional tiered administrative cost (\$150 minimum) for inactivity on the carry forward balance as of December 31st
- Expendable funds are invested in a money market account unless otherwise arranged
- Endowed funds:
 - Funds established with less than the minimum required amount will start as an incubation fund and may award grants after becoming a fully-funded, active fund
 - Must be invested for a year prior to grant distributions unless additional funds are added for immediate grantmaking
 - The principal balance of endowed funds is protected and may not be invaded
 - Funds that fall below the principal endowed amount are put into abeyance and no distributions will be made until the fund is restored to the original endowed amount. Once the fund is restored, distributions can be made above the endowed balance
 - Funds are invested in the market based on the Foundation's Investment Policy of a 60/40 split of equities and fixed income assets
 - A spending rate is set annually by the Board of Trustees using a rolling 12-quarter average of the fund market value. The IRS recommends a spending rate up to 5% when the market allows. This allows donors to give while preserving the principal balance of the fund over the long-term, increase the fund size, have consistent grant making dollars available during various economic times and strategically balance the community's short and long-term needs for grant support. New funds will use the total historical fund balances that it has until such time it has a 12-quarter history. Any unused spending amount shall be added to the fund for distribution at a later date.

Thank you for your commitment to enhancing the quality of life in our community.
